## INTERNATIONAL BLUES MUSIC DAY

IBMD is held on the first Saturday in August each year with the inaugural celebration held on 3 August 2013.

The initiative was the brainchild of world renowned blues musician Johnny Childs who also stars in the film 'The Junkman's Son' and serves as the President of the NYC Blues Society.

Canberra Blues Society is just one of the many associations across Australia supporting this international event that celebrates the Blues, including its many icons, legends & pioneers, whilst giving the new generation of Blues artists the opportunity to showcase their take on modern day Blues.

This is our biggest event of the year with performances by local & interstate artists on two stages, stalls & exhibitions.
